Capability Statement

About Us

Northwest Property Development (NWP) is a business focusing on the cultivation of government contracting opportunities, in multiple sectors. NWP is registered in the State of Indiana and has been in business for 5 years. The company has evolved tremendously in the past 2 years to a trusted government contractor with a goal to become the premier global contract solution designer.

NWP's mission is to create a platform that successfully fulfills federal government contracts driven by integrity, honesty, and due diligence.
